1. Target market for this product

Target Market

The retail clients for whom this product has been designed are individuals who:

- want a term loan for the purposes of financing a holiday, improvements around the home, debt consolidation or financing a personal project;
- want to make principal and interest payments over the term of the loan;
- want flexibility to make additional repayments and have access to those repayments;
- may want access to other features and benefits (such as accessing additional repayments using the free online redraw facility);
- can afford the loan.

Product Description

An AWA Alliance Bank-branded Unsecured Personal Loan (Variable Rate) is a term loan (up to a maximum term of 7 years) which is used for the purposes of financing a holiday, improvements around the home, debt consolidation or financing a personal project. Retail clients have the ability to make additional repayments without incurring early repayment costs. Retail clients can also access other features. Regular principal and interest repayments are required over the term of the loan.

Product key attributes

The key attributes of this product that make it likely to be consistent with the target market described above, include:

Attribute	Appropriate for
Term loan	Retail clients that want to repay their loan over short to medium term period (loan terms between 1 and 7 years).
Minimum loan amount	Retail clients who want to borrow a minimum amount of \$2,000.
Purpose	Retail clients who want to use the funds for a personal purpose. This product may not be suitable for retail clients who will use the funds for business purposes.
Regular repayments of principal and interest	Retail clients who can make regular scheduled principal and interest repayments over the term of the loan. Retail clients can choose from weekly, fortnightly or monthly repayment frequencies.

Attribute	Appropriate for
Variable interest rate	A variable interest rate means the interest rate may increase or decrease over the term of the loan. This product may not be suitable for retail clients who require certainty around repayments by having a fixed interest rate.
Early repayments and redraw	Retail clients who want the flexibility to make additional repayments without incurring early repayment fees, and the ability to access those repayments.
